## Girl Crowned Kindest Kid in the World

Everyone has a gift to give. **Hers** is kindness.

**Hannah, 7, of Newham,** has been given the title of 'The Kindest Kid in the World **2019.**'

It's not always easy to be kind, especially when somebody is being the complete opposite towards you. However, **Hannah** is always kind - even to grumpy and rude people.

**Hannah** has been known to **share her food with classmates who had forgotten to bring in their packed lunch.** She is often seen **petting animals, smiling at passersby and helping her little brother.**

Every year, the 'Council of Kindness', deliberates carefully

over hundreds of nominees. Children are nominated by family and friends, and the winner is selected by four extremely kind judges.

**"She really is the sweetest thing,"** said **Hannah's mother, Rahila,** at the award ceremony.

**"We couldn't be more proud,"** said **Uncle Paul.**

The Prophet Muhammad (saw) said, "Allah is kind and He loves kindness."

Scientists say that being kind makes us feel good. **Hannah** agrees wholeheartedly and hopes to be kind forever.
