AMAZING BOY LEARNS HOW TO PRAY

Seven year old does five daily prayers

Hamza, 7, has achieved a major milestone in his blessed life as a Muslim. The young boy, from Manchester has mastered the actions and words to be recited for the Islamic prayer, which is offered five times a day.

On average, children learn to pray at the age of seven. Hamza made his family proud when he began to show an interest in praying from a very young age. As a toddler, Hamza was often found imitating his elders by making sujood on a prayer mat.

Proud mother, Nazish said, "This is a great moment of joy for the whole family. We look forward to Hamza one day leading the prayer in our home."

Gifts were presented and hugs shared in a wonderful celebration at the Khan household.

"He loves praying. We didn't have to push him to learn, he pushed us!" says Hamza's father, displaying undeniable admiration for his son.
